Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

Comments:

I believe that an adjudicator would compensate for the fact that the big companies have all the power in the relationship. Also it is not a free market as any new competitor would require a license.

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

Provide some fairness and regulation to the relationship between tenant and landlord.

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

I do not see any major disadvantages

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Fully supportive

Please explain the reasons for your response

A fair rent option allows the tenant to go to the market to some beers/goods. It would encourage pubcos to provide goods at competitive prices.

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

I have not read the full document.

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Please explain the reasons for your response.

Process has to have some teeth to make it effective.

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

Please explain the reasons for your response.
level playing field for all.

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

No Response

Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) the pub companies which own tied pubs (Pubcos)			X			
(b) Tied-pub tenants				X		
(c) Tied-pub customers			X			

Please explain the reasons for your response

(a) Some initial losses but would re-equilibrate as volume etc could increase if they price more competitively. (b) Some reductions as could go to market for alternative products. May liberate tenants to drive better more effective businesses as they could target their local market/client better. (c) Lost rental but perhaps increased diversity in beers/products available.

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

Small levy as part of the license fee.

Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Neutral (neither positive nor negative)

Please explain the reasons for your response

Cannot see why it would have any impact, unless currently the pubco landlords reverse recruitment and customer relationships of the tenant publicans.

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

No Response
