Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

**Comments:**

A licenced trade 'level playing field' is essential to the wellbeing of public house.

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

Once again, a 'level playing field' within the licenced trade. It's ridiculous that supermarkets and even local shops can sell alcohol at less price than a public house. And who controls 'at home' drinking?

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

The time-consuming process. Those involved would probably be receiving long-service awards before any meaningful decision is made, let alone implemented.

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Fully supportive

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

Marginally supportive.

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Neutral (neither support nor oppose)

**Please explain the reasons for your response.**

Once again, those involved within the Scottish Government will look upon this as a long-term project - with all the associated benefits - and gradually ignore their reason 'for being there'.

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

*No Response*

## Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) the pub companies which own tied pubs (Pubcos)		X				
(b) Tied-pub tenants			X			
(c) Tied-pub customers			X			

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

By major alcohol providers, such as Diageo, Tennants, etc., etc.

## Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Neutral (neither positive nor negative)

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

*No Response*

## Page 21: Sustainability of the Proposal

Q14. 14. Do you consider that the proposed Bill can be delivered sustainably, i.e. without having future disproportionate economic, social and/or environmental impacts?

Unsure
