Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

Comments:

As the lessee and licensee of a tied pub, I find it really frustrating that the beers and ciders I am allowed to sell are dictated to by a company based in England. They will allow me to sell a beer brewed in Cornwall and yet I can't sell a beer that is brewed down the road in Scotland.

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Unsure

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

First of all it brings Scotland into line with England & Wales; I was very disappointed to discover that the original legislation for a Pubs Code did not apply in Scotland.

However, I have no great faith that such a Bill will make any difference to the Scottish pub trade. A "free of tie" option, or "market rent option", comes at such a rental premium that for most small operators it would simply not be an option.

Is the take-up of an MRO in England and Wales pitifully low?

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

No Response

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Fully supportive

Please explain the reasons for your response

At least it would offer business owners a chance to contemplate being free-of-tie.

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

No Response

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Please explain the reasons for your response.

The legislation should be open to anyone.

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

No Response
