Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

Comments:

Brewers are too greedy in the level of charges they impose on publicans

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

Unsure

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

I think it would provide a better standard of living for the publican and their employees as they would have more money rather than have to pay so much over to the breweries. I would also hope that lower prices would be introduced in pubs and this may encourage customers to return to the environment rather than drink at home.

It is almost impossible for many pubs to compete fairly with registered clubs as the clubs prices are subsidised by members fees etc.

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

I do not foresee any disadvantage

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Unsure

Please explain the reasons for your response

There is not enough detail to accompany the term here?

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

I think this is a positive move to break the monopoly and control imposed on publicans

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

No Response

Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) the pub companies which own tied pubs (Pubcos)			X			
(b) Tied-pub tenants					X	
(c) Tied-pub customers				X		

Please explain the reasons for your response

If this Bill were introduced, customers would expect to see a reduction in costs, otherwise they would vote with their feet and go elsewhere.

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

By the Scottish Government to promote impartiality

Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Neutral (neither positive nor negative)

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

I can't envisage any negative impact here
