Please provide a way in which we can contact you if there are queries regarding your response. Email is preferred but you can also provide a postal address or phone number. We will not publish these details.

Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

**Comments:**

Scotland is different to south of the Border in terms of its licensing laws. I prefer to drink in pubs than at home, and anything that may disadvantage Scottish pub landlords is a threat to that. It would be good to send a progressive message to the rest of the Union that we protect our pub culture.

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

**Please explain the reasons for your response.**

I think this is actually the best way to start. We have to consider this matter in our own Parliament.

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

In a word - comparability. A firm framework allows a tight comparison of how a system works across the Scottish regions and within the rest of the UK. It also provides a baseline set of standards.

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

Cost and time requirements: I assume this would require new posts even after the initial legislation to set things in place.

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Partially supportive

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

I'm afraid I have not fully read the document, but I wanted to lodge my (not fully informed) views now in case I don't get quite that far.

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

*No Response*

## Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) the pub companies which own tied pubs (Pubcos)		X				
(b) Tied-pub tenants				X		
(c) Tied-pub customers			X			

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

Public taxation, or taxation at point of (pub) sale.

## Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Unsure

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

Unsure on this one.

## Page 21: Sustainability of the Proposal

Q14. 14. Do you consider that the proposed Bill can be delivered sustainably, i.e. without having future disproportionate economic, social and/or environmental impacts?

Yes

## Page 22: General

Q15. 15. Do you have any other comments or suggestions on the proposal?

Not really.
