No

Protection of cultural ideas and the continuance of historically held belief system .

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

No Response

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Partially supportive

Please explain the reasons for your response

Not strong enough for the purpose , look at the way pubs are disappearing all over England and Wales.

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

Again , not strong enough.

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Please explain the reasons for your response.

It is the only way to police these people , they are profit led , so it makes sense to minimise the profits if they breach the regs .

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

No Response

Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

	Significant increase in cost	Some increase in cost	Broadly cost-neutral	Some reduction in cost	Significant reduction in cost	Unsure
(a) the pub companies which own tied pubs (Pubcos)			X			
(b) Tied-pub tenants			X			
(c) Tied-pub customers			X			

Please explain the reasons for your response

All businesses work on a plan , as long as they have time to adapt and change their practises, it will work out.

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

An increase in tax to be paid for by prices at the bar (Cost divided by per drink tax , should be minimal and hardly noticeable)

Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Positive

Please explain the reasons for your response

Self financing ,all equally effected...

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

Too much time taken to implement will give those who wish to take advantage the ability to do so . It should be retrospectively applied .

Page 21: Sustainability of the Proposal

Q14. 14. Do you consider that the proposed Bill can be delivered sustainably, i.e. without having future disproportionate economic, social and/or environmental impacts?
