

Proposed Tied Pubs (Code and Adjudicator) (Scotland) Bill

Page 2: About you

Are you responding as an individual or on behalf of an organisation?

an individual

Which of the following best describes you? (If you are a professional or academic, but not in a subject relevant to the consultation, please choose "Member of the public".)

Member of the Public

Please select the category which best describes your organisation

No Response

Please choose one of the following; if you choose the first option, please provide your name or the name of your organisation as you wish it to be published.

I am content for this response to be attributed to me or my organisation

Please provide your name or the name of your organisation

Mr Gerard Lamarra

Please provide a way in which we can contact you if there are queries regarding your response. Email is preferred but you can also provide a postal address or phone number. We will not publish these details.

Q1. 1. Which of the following best expresses your view of establishing a statutory Scottish Pubs Code and Scottish Pubs Code Adjudicator? Please explain the reasons for your response.

Fully supportive

Comments:

I believe that there should be an independent way to resolve any issues, with regards to fairness.

Q2. 2. Could the aims of this proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

Q3. 3. What do you think would be the main advantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

A fair system on behalf of pub owners, breweries or landlords. To make sure that there is no unfair manipulation or intimidation. A system that benefits everyone, including the public/ customer.

Q4. 4. What do you think would be the main disadvantages, if any, of establishing a statutory Scottish Pubs Code and Adjudicator?

A system heavily in favour of large breweries/ chains, who are after maximum profit and leave their licensees struggling to earn a living and the public paying an unfairly inflated price.

Q5. 5. Which of the following best expresses your view of establishing a Market Rent Only option for tenants as part of a Scottish Pubs Code?

Fully supportive

Please explain the reasons for your response

They should not be tied into selling one breweries products or products decided by the brewery. The tenants should be free to sell what they want, according to how they see their local market.

Q6. 6. What do you think of the proposed contents of the Bill and the Code, and the scope of the Adjudicator's powers, as detailed on pages 17-18 of the consultation document?

No Response

Q7. 7. Which of the following best expresses your view of the Scottish Pubs Code Adjudicator being able to impose financial penalties for breaches of the Code?

Fully supportive

Q8. 8. In terms of who the Scottish Pubs Code, and Market Rent Only option, should apply to, which of the following best expresses your view? If you choose option (a) you will automatically be taken to question 10. If you choose (b) or (c) you will automatically be taken to question 9.

(a) The Scottish Pubs Code - including the Market Rent Only option - should apply to all tied pubs in Scotland

Q9. 9. How should larger pubcos be defined (e.g. by size of turnover, number of tied pubs owned in Scotland (if so, how many, etc.))?

No Response

Page 17: Financial implications

Q10. 10. Taking account of both costs and potential savings, what financial impact would you expect the proposed Bill to have on:

| | Significant increase in cost | Some increase in cost | Broadly cost-neutral | Some reduction in cost | Significant reduction in cost | Unsure |
|--|------------------------------|-----------------------|----------------------|------------------------|-------------------------------|--------|
| (a) the pub companies which own tied pubs (Pubcos) | | | | | X | |
| (b) Tied-pub tenants | | | | | X | |
| (c) Tied-pub customers | | | | | X | |

Q11. 11. How do you think the associated costs of the proposal (predominantly the establishment and on-going running costs of a Scottish Pub Code Adjudicator) should be funded?

Through the currently imposed levy, which is ridiculously high, compared to the vast majority of European countries.

Page 19: Equalities

Q12. 12. What overall impact is the proposed Bill likely to have on equality, taking account of the following protected characteristics (under the Equality Act 2010): age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief, sex, sexual orientation?

Neutral (neither positive nor negative)

Q13. 13. In what ways could any negative impact of the Bill on any of the protected characteristics be minimised or avoided?

No Response

Page 21: Sustainability of the Proposal

Q14. 14. Do you consider that the proposed Bill can be delivered sustainably, i.e. without having future disproportionate economic, social and/or environmental impacts?

Yes

Page 22: General

Q15. 15. Do you have any other comments or suggestions on the proposal?

No Response
